UNIQUE SELLING POINTS

DESIGN WITHOUT COMPROMISE

The Ro™ easy chair is a pleasure for both the eyes and body. The aesthetics does not compromise on functionality – and the functionality does not compromise with the aesthetics.

Ro™
TRANQUILLITY

Ro™ offers the promise of tranquillity, a time to relax from a busy everyday life. You can choose whether you want to be a part of the world or rest against the "ears" in your own private space.

COMFORTABLE SEATING

Ro™ is a very comfortable chair where you have room to move around as you please. It is a 1,5 seater to relax comfortably and put your newspaper, bag or computer next to you.
