

**MATERIAL OPTIONS****750P/T SOLO BAR STOOL**

Inspired by the Eames Shell Chair, the Solo Bar Stool is an updated version that transforms the early industrial look of the Eames iconic chair into a sophisticated, comfortable bar stool that is suitable both in domestic and commercial settings. Solo Bar Stool has an upholstered shell that hugs the sitting body to create a microcosmic universe for the person, becoming an object of shelter and refuge, where the person can be "solo" and undisturbed while being hugged in this position. Designed by neri&hu and manufactured by De La Espada for the neri&hu brand.
