

LA ROCHE

Born from an existing system to illuminate the large windows, the first wall lamp conceived by Le Corbusier for his purist architectures: Villa La Roche and Pavillon de l'Esprit Nouveau. Matt grey metal, LED lighting source with a glass diffuser shaped on the original incandescent bulb. Nemo produced it, bringing it back to its original proportions, lightness and function, dimmable Triac.

LED

LAMPING

Source	LED board
Total power	18W
Emission	diffused
Switching	dimnable, TRIAC
Tension	220/230V
Color temperature	2700K
Luminous flux	1650lm (luminous output)
Typ cri	83
Energy class	A+

Codes

ROC LDW 31

Structure

matt grey
