Description

In 2020 Colosseo debuts outdoor in the new porcelain stoneware version in sauge and clay colors. A furnishing element with various functions depending on the occasion and need (coffee table and pouf). Colosseo takes its name from the designer's inspiration. Naoto Fukasawa has in fact arrived at the desired shape thinking of a solid in the shape of an upside-down truncated cone, creating an assonance with the structure of the famous Roman arena.
