

Beat Vessels

A group of floor vessels in three unique shapes: Tall, Drop and Top. Inspired by traditional Indian water vessels.

Process	Made from brass, the Beat Vessels are spun and welded in separate parts to create the form. The unpolished surface is lacquered and brushed with a fine wire wool. Over time the colour of brass may alter.						
Year of design	2007						
Material	Spun brass						
Product code	<table border="0"> <tr> <td>Beat Vessel - Tall</td> <td>BRV01</td> </tr> <tr> <td>Beat Vessel - Drop</td> <td>BRV02</td> </tr> <tr> <td>Beat Vessel - Top</td> <td>BRV03</td> </tr> </table>	Beat Vessel - Tall	BRV01	Beat Vessel - Drop	BRV02	Beat Vessel - Top	BRV03
Beat Vessel - Tall	BRV01						
Beat Vessel - Drop	BRV02						
Beat Vessel - Top	BRV03						
Type	Floor Vessel
