Jasper Morrison, 2004

## Plate Table

Quite in keeping with Jasper Morrison's philosophy of 'super normal' design, the Plate Tables feature a classic shape and finely balanced proportions. Available in two sizes, the tables derive their charm from the successful interplay of subtle curves and precisely defined edges. The refined base and the thin table top in

Carrara marble or powder-coated MDF form a harmonious whole, yet are clearly distinct from each other.

### Materials

- **Table top:** powder-coated MDF or Carrara marble (brushed and waxed).
