Identification

Name	MUFFIN WOOD 02
Type	table lamp (T)
Collection	MUFFIN
Line	Exclusive Line
Designed by	Lucie Koldová a Dan Yeffet

BROKIS

Description

Features

Muffins lamps are born of the notion of combining oak and blown glass. They are produced in the European Union in Czech Republic and the design quality highlights the excellence of the materials and savoir-faire of choice producers. This series of lamps creates a unique atmosphere through the glass' varied tones and tints, while retaining a complete functionality.
